Preparation

200 g white flour

1 tsp salt

100 g butter, cold

2 tbsp sugar

½ lemon, zest

For the pastry, mix the flour and salt. Cut the butter into small pieces and rub into the flour until the mixture resembles breadcrumbs. Mix with the remaining ingredients and knead into a smooth dough. Cover over and refrigerate for about 30 minutes.

Then, on a floured surface, roll out the pastry into a round about 4 mm thick. Line the glass pie dish with baking paper and put the pastry into it.

100 g cane sugar

3 eggs

200 g cream cheese

1 tsp cinnamon, ground

½ tsp ginger powder

¼ tsp cloves, ground

¼ tsp cardamom, ground

1 pinch of nutmeg, ground

Stir all the ingredients together. Add the spices to taste.

Put the filling into the prepared pastry case in the glass pie dish.

Put the pie dish on the hardened glass dish in the cold cooking space. Bake.
