- 500 g baby potatoes, halved
- 2 sweet peppers, cut into about 2 cm wide strips
- 1 fennel bulb, cut into thin wedges
- 1 red onion, cut into wedges
- 3 tbsp olive oil

1 tsp salt

Some pepper

100 g feta, crumbled

50 g calamata olives, pitted, halved

Preheat the cooking space to 200 °C using the hot air with steaming mode. Spread the potatoes and vegetable out over a lined baking tray, drizzle over the olive oil and season with salt and pepper. Put the tray into the preheated cooking space and one level above it insert a wire shelf. Take the chicken out of the marinade, place on the wire shelf and cook for about 30 minutes. Plate up the chicken and vegetables, scatter feta and olives over the top.

## Tips

Chicken thigh steaks can be substituted with chicken breasts. Marinate them as above and place in the cooking space on the wire shelf above the vegetables 10 minutes into the cooking time.

For the garlic yogurt, stir together 150 g Greek yogurt, 1 small, crushed clove of garlic and 2 pinches of salt. Serve with the chicken and vegetables.
