Spicy ketchup

100 g sugar, white

100 g sugar, brown

2 cloves of garlic

2 onions, medium-sized

2 pieces of ginger, thumb-sized

1 tbsp parsley

1 tsp fennel seeds

1 tsp coriander seeds

1 tsp cloves, ground

1 pinch of curry powder

1 peperoncino

200 ml red wine

800 g peeled plum tomatoes

Caramelize both the white and brown sugar in a pan. Coarsely chop the garlic, onion, ginger and parsley. Add the ingredients from the spices to the peperoncino to the sugar. Mix well and deglaze with the red wine.

Allow to simmer for around 30 minutes until the mixture has thickened.

Add the tomatoes and allow to simmer for another 60 minutes.

Blend the ketchup well with a hand-held blender or a food processor and then strain through a sieve to remove any coarse pieces.

Allow to rest in a cool place for around 1 hour before serving. If the ketchup is too runny, simply thicken it with cornflour before blending.

Tips

Enhance the flavour of the oven wedges by adding rosemary to the olive oil.
