1½ tsp salt

½ cube of yeast (about 20 g)

300 ml water

100 g pitted olives

2 sprigs of rosemary, chopped

Olive oil for greasing

Topping

4 tbsp water

4 tbsp olive oil

1 clove of garlic, crushed

Shaping

Olive oil for greasing

Some fleur de sel

Potatoes

Wash the potatoes, place on a perforated stainless steel tray and cook at 100 °C for 25 minutes using the steam mode.

Allow the potatoes to cool down. Peel and cut into about 5 mm cubes.

Dough

Knead all the ingredients in a bowl into a soft, smooth dough. Add the potato cubes and knead well into the dough. Shape the dough into a ball. Put in a bowl and place in the bottom of the cooking space. Allow to rise at 32 °C for 1 hour until double in volume using the professional baking proofing mode.

Topping

Stir all the ingredients together well.

Shaping

Grease the baking tray generously with olive oil. Place the dough on the baking tray and flatten with your hand until about 1 cm thick. Spread the topping over the dough and use your fingers to create depressions in it. Sprinkle with fleur de sel and allow to proof for 30 minutes.
