

Raspberry cake with rosemary

Receta de V-ZUG AG

Preparación
Tiempo de
cocción
Porciones 12

Preparation

3 g rosemary
1 lemon
250 g butter, soft
250 g sugar
20 g vanilla sugar
4 eggs
100 ml full cream
300 g plain flour
1 pinch of Salt
7 g baking powder

Aire caliente húmedo (170 °C)

Finely mix the rosemary with a blender. Wash, zest and juice the lemon.

Mix together with the rest of the ingredients for the cake to form a smooth cake mixture.

200 g raspberries

Grease the round baking tray with butter. Turn the cake mixture into the baking tray. Arrange the raspberries on top, pressing them down lightly into the cake mixture. Put the round baking tray on the wire shelf in the preheated cooking space. Bake.

Introducir los alimentos

Icing sugar

Allow the cake to cool before dusting with icing sugar.

Accesorios

ø29 cm round TopClean baking tray
