

French baguette

Preparation	30 Mins
Cooking time	20 Mins
Portions	4
Appliance	Combair-Steam SE from 2015

Preparation

- 1 kg semi-white flour
- 680 ml water
- 14 g dry yeast
- 24 g fine salt

Put the flour, water and yeast in a mixing bowl and mix on level 1 for 10 minutes. Add the salt and knead on level 2 for 5 minutes.

Put the dough in a large, high-sided mixing bowl and allow to proof at room temperature for 3 hours.

(Pre-)heat cooking space to 230 °C with Hot air + steaming

Turn the dough out onto a floured work surface and divide into 6 portions. Without kneading, gently flatten each portion, working from the edges of the dough, pull the dough out to stretch it and then fold back over toward the middle. Press the ends of the dough together well. Roll each portion into a sausage shape, form into baguettes, then place on the 2 baking trays and dust with a little flour. Allow to proof at room temperature for 30 minutes. If required, score the baguettes before baking.

Put the baking trays into the preheated cooking space. Bake. After 1½ minutes, switch off the steam.

Put the pastry in

Hot air + steaming 230 °C for 20 Mins

Accessories

- 2 baking trays
