The right technique makes risotto the ideal base for a wide variety of dishes, from classic to creative. And it is really easy to make in the steamer.

## Ingredients

200 ml vegetable bouillon  
50 ml white wine  
200 g risotto rice  
1 shallot, finely chopped  
200 ml vegetable bouillon  
Some salt  
Some pepper  
50 g butter  
50 g Parmesan, grated

## Preparation

Mix the bouillon and all the ingredients up to and including the salt in an ovenproof dish. Place the dish on a perforated stainless steel tray. Next to it stand a second ovenproof vessel with the vegetable bouillon. Put the tray into the cold cooking space and cook at 100 °C for about 15 minutes using the steam mode. Stir the risotto and continue to cook for about another 15 minutes. Stir about  $\frac{3}{4}$  of the hot vegetable bouillon, the butter and the Parmesan through the risotto. Add as much of the remaining bouillon to the risotto as required to achieve the desired consistency.
